## **The Bed & Bone Experience**

### **Stay**

*Bed & Bone Boarding* provides specialized attention to your pet's physical, medical, and emotional needs in a non-kennel, cage-free environment. Your pet's stay includes the freedom to exercise, play, investigate curious smells in a half-acre, secured fenced in yard. Your dog becomes a part of my family and enjoys all the activities and love that my two dogs experience every day with me. You and your dog are invited to come to my home so we can all meet each other and see if your dog would be happy with us. Before the visit, I will need to see your dog's vaccination records.

### **Rates**

Depends on the dog's specific needs, please call for quote.
